

CHAPTER V

CONCLUSION AND SUGGESTION

As a conclusion of this study, the researcher would like to give readers an overall view of what she has discussed in previous chapters. It can be drawn some conclusion on the effectiveness of Charlie Chaplin's medium to teach writing narrative text. In this chapter also view suggestion. The researcher would like to give some suggestions that maybe useful for English teachers and for further researchers when they want to use the suggested method in teaching writing narrative text for the twelve grade of senior high school.

Therefore, in this chapter also view suggestion. This research would like to give some suggestions that maybe useful for English teachers and for further researchers.

A. Conclusion

Based on the result of the study, the researcher concluded that Charlie Chaplin's video is effective to teach writing narrative text. There are significance differences in the student's writing score in pretest and post test. Most of the student's is increased. This statement supported by finding the result of students' score of writing narrative test. The researcher found that Charlie Chaplin video is effective as a medium to narrative text because the data showed that 10 of 33

students could produce excellent narrative writing test and 15 students was very good, 5 students was average, the other 3 students was poor. This data become a prove that this media is effective to teach writing narrative text.

B. Suggestion

Suggestion is aimed to the teacher and the researcher. It is strongly suggested for the teacher to always using as many interesting method as possible in teaching writing, one of the method that used in teaching writing is Charlie Chaplin's video. Based on the conclusion, there are several suggestion recommended for he follows-up studies. The suggestions were given to the teacher and further researcher.

1. For The Teacher

In teaching English writing, English teacher are recommended to use Charlie Chaplin's video as medium to teach writing narrative text, because it is effective for the student, it help the students to catch the material. So, the student's easy to write because they can organize their idea when they are writing. This method was very useful to help the students to organize ideas into a good composition of writing. Besides that, it helped the English teacher to create the creativity in teaching English writing narrative text.

2. For Further Researcher

The writer suggest for the further researcher who want to use this teaching method, it would be better use Charlie Chaplin's video in different

subjects and location. In order to strength the previous findings. It is also suggested to conduct their study on the use of Charlie Chaplin's video not only in narrative text but also in other genres text.
