PENYATAAN DAN PERTANGGUNGJAWABAN ............................... iv
MOTTO DAN PERSEMBHAHAN ...................................................... v
ABSTRAK .................................................................................. vi
KATA PENGANTAR ...................................................................... vii
DAFTAR ISI ................................................................................ x
DAFTAR GAMBAR ........................................................................ xii
DAFTAR TABEL ........................................................................... xiii

BAB I : PENDAHULUAN
A. Latar Belakang Masalah ............................................................ 1
B. Rumusan Masalah ................................................................... 6
C. Tujuan Penelitian ................................................................... 6
D. Ruang Lingkup dan Keterbatasan ............................................. 7
E. Kegunaan Penelitian ............................................................... 8
F. Definisi Operasional ............................................................... 9
G. Sistematika Pembahasan .......................................................... 11

BAB II : KAJIAN KEPUSTAKAAN
A. Kerangka Teoritik .................................................................... 13
  1. Pengertian Dakwah ............................................................... 13
  2. Pesan Dakwah ..................................................................... 17
     a. Karakteristik Pesan Dakwah .............................................. 18
     b. Materi Dakwah .............................................................. 19
  3. Internet Sebagai Media Dakwah .......................................... 24
     a. Kelebihan dan Kekurangan Internet ............................... 24
     b. Facebook Sebagai salah satu Media Dakwah ................. 26
     c. Grup Facebook sebagai Wadah Dakwah Mujadalah ........ 30
B. Kajian Teori ............................................................................ 37

x
C. Penelitian Terdahulu yang Relevan ................................................................. 40

BAB III: METODE PENELITIAN
A. Rancangan Penelitian ......................................................................................... 47
B. Unit Analisis ......................................................................................................... 51
C. Populasi dan Sampel ........................................................................................... 52
D. Instrumen Penelitian ............................................................................................ 53
E. Prosedur Pengumpulan Data .............................................................................. 54
F. Teknik Analisis Data ........................................................................................... 55

BAB IV : PENYAJIAN DATA DAN TEMUAN PENELITIAN
A. Deskripsi Obyek Penelitian ................................................................................ 57
B. Penyajian Data ..................................................................................................... 60
C. Interpretasi Teori .................................................................................................. 116

BAB V : PENUTUP
A. Kesimpulan .......................................................................................................... 119
B. Rekomendasi ....................................................................................................... 120
