Acknowledgement ......................................................................................................... viii
Table of Content ............................................................................................................ xi
Abstract .......................................................................................................................... xii
Intisari ............................................................................................................................. xiv

CHAPTER I INTRODUCTION ....................................................................................... 1
1.1 Background of Study ................................................................................................. 1
1.2 Research Problem ..................................................................................................... 5
1.3 Objective of The Research ....................................................................................... 5
1.4 Significance of The Research ................................................................................... 5
1.5 Scope and Limitation ............................................................................................... 6
1.6 Definition of Key terms ........................................................................................... 6

CHAPTER II LITERATURE REVIEW ........................................................................... 7
2.1 Theoretical Framework ............................................................................................. 7
  2.1.1 Phonology .......................................................................................................... 7
  2.1.2 Pronunciation ...................................................................................................... 7
  2.1.3 Aspect of Pronunciation ..................................................................................... 8
  2.1.4 Consonant .......................................................................................................... 9
  2.1.5 Vowel ................................................................................................................ 11
  2.1.6 Error of Pronunciation ....................................................................................... 15
2.2 Previous Study ........................................................................................................ 16

CHAPTER III RESEARCH METHOD .......................................................................... 18
3.1 Research Design ....................................................................................................... 18
3.2 Research Instrument ............................................................................................... 18
3.3 Data and Data Sources ........................................................................................... 19
3.4 Technique of Data Collection .................................................................................. 19
3.5 Technique of Data Analysis .................................................................................... 20

CHAPTER IV FINDINGS AND DISCUSSION ............................................................. 26
4.1 Findings ..................................................................................................................... 26
  4.1.1 Kinds of Consonant Pronunciation Errors ......................................................... 26
  4.1.2 Kinds of Vowel Pronunciation Errors ................................................................. 35
4.2 Discussion ................................................................................................................ 44
CHAPTER V CONCLUSION AND SUGGESTION .................................................47
  5.1 Conclusion .........................................................................................47
  5.2 Suggestion .........................................................................................48
