ABSTRAKSI ............................................................................................................. ix
DAFTAR ISI ............................................................................................................. xii
DAFTAR TABEL ...................................................................................................... xv
DAFTAR GAMBAR .................................................................................................. xvi
DAFTAR LAMPIRAN ............................................................................................... 

BAB I PENDAHULUAN ......................................................................................... 1
  A. Latar Belakang .................................................................................................. 1
  B. Rumusan Masalah ......................................................................................... 9
  C. Tujuan Penelitian .......................................................................................... 9
  D. Hipotesis Penelitian ..................................................................................... 9
  E. Manfaat Penelitian ...................................................................................... 11
  F. Penegasan Istilah Judul ............................................................................... 12
  G. Sistematika pembahasan ............................................................................. 13

BAB II KAJIAN TEORI .......................................................................................... 16
  A. Kinerja Lembaga TPQ .................................................................................. 16
     1. Kinerja ....................................................................................................... 16
        1.1. Pengertian Kinerja ............................................................................. 16
        1.2. Faktor Yang Mempengaruhi Kinerja .............................................. 18
        1.3. Penilaian Kinerja ............................................................................. 23
        1.4. Indikator Kinerja ............................................................................. 25
2. Lembaga TPQ ......................................................................................... 26
  2.1. Pengertian TPQ .............................................................................. 26
  2.2. Mutu Lembaga TPQ ....................................................................... 29
  2.3. Target Lembaga TPQ ..................................................................... 33
B. Audit Mutu Eksternal ......................................................................... 35
  1. Pengertian Audit .............................................................................. 35
  2. Jenis-jenis Audit ............................................................................... 36
    2.1. Audit Keuangan ............................................................................ 36
    2.2. Audit Mutu .................................................................................. 37
    2.3. Audit Operasional ....................................................................... 37
  3. Tipe Audit .......................................................................................... 39
    3.1. Audit Mutu Internal ....................................................................... 39
    3.2. Audit Eksternal ............................................................................ 40
    3.3. Audit Pihak Ketiga ..................................................................... 40
C. Penelitian Relevan ............................................................................ 41
D. Hubungan Audit Mutu Eksternal Terhadap Kinerja Lembaga TPQ ......................................................................................... 45
E. Hipotesis .............................................................................................. 46

BAB III METODE PENELITIAN ................................................................. 49
A. Jenis Penelitian .................................................................................. 49
B. Identifikasi Variabel .......................................................................... 50
C. Rancangan Penelitian ......................................................................... 51
D. Populasi dan Sampel .......................................................................... 52
  1. Populasi ............................................................................................ 52
  2. Sampel .............................................................................................. 52
  3. Besar Sampel ................................................................................... 53
E. Instrumen Penelitian .......................................................................... 54
  1. Audit Mutu Eksternal ......................................................................... 55
    1.1. Definisi ....................................................................................... 55
    1. 2. Alat Ukur .................................................................................. 56
1. 3. Reabilitas dan Validitas Uji Coba.................................60
2. Kinerja Lembaga TPQ.........................................................65
2.1. Definisi.............................................................................65
2. 2. Alat Ukur ..........................................................................66
2. 3. Reabilitas dan Validitas Uji Coba.................................68
F. Metode Pengumpulan Data..............................................72
G. Teknik Analisis Data.........................................................74

BAB IV HASIL PENELITIAN DAN PEMBAHASAN..................78
A. Gambaran Umum Obyek Penelitian .................................78
B. Persiapan dan Pelaksanaan Penelitian.............................81
  1. Persiapan Awal .................................................................81
  2. Penyusunan Skala ..............................................................81
  3. Pelaksanaan Penelitian .....................................................82
C. Analisis Data Audit Mutu Eksternal..................................83
D. Analisis Data Kinerja Lembaga TPQ.................................84
E. Pengujian Hipotesis .............................................................85
F. Uji Signifikasi Koefisien Korelasi .....................................88
G. Pembahasan .................................................................89

BAB V PENUTUP........................................................................96
A. Kesimpulan .................................................................96
B. Saran ..............................................................................97

DAFTAR PUSTAKA .................................................................99
DAFTAR TABEL

1. Tabel 3.1
   Penentuan Jumlah Sampel dari Populasi Dengan Taraf Kesalahan 1%, 5%, dan 10% ........................................53

2. Tabel 3.2.
   Blue Print Skala Audit Mutu Eksternal ..............................................56

3. Tabel 3.3.
   Distribusi Aitem Skala Audit Mutu Eksternal .....................................62

4. Tabel 3.4.
   Blue Print Skala Kinerja Lembaga TPQ .....................................................67

5. Tabel 3.5.
   Distribusi Aitem Skala Kinerja Lembaga TPQ .......................................70

   Rumus Perhitungan Prosentase (Frekuensi Relatife) ................................75

7. Tabel 3.7.
   Rumus Perhitungan Product Moment ......................................................76

8. Tabel 3.8.
   Interprestasi Nilai “r” ........................................................................77

   Pelaksanaan Penelitian ........................................................................83

10. Tabel 4.2.
    Rumus Perhitungan Prosentase Audit Mutu Eksternal .........................84

11. Tabel 4.3.
    Rumus Perhitungan Prosentase Kinerja Lembaga TPQ ..........................85

12. Tabel 4.4.
    Kriteria Penilaian Korelasi ................................................................86

13. Tabel 4.5.
    Hasil Uji Hipotesis .............................................................................87
DAFTAR GAMBAR

   Kerangka Pemikiran Penelitian ................................................................. 48
