BAB I PENDAHULUAN
A. Latar Belakang ................................................................. 1
B. Rumusan Masalah ............................................................. 7
C. Tujuan Penelitian ............................................................... 8
D. Manfaat Penelitian ............................................................ 8
E. Keaslian Penelitian ............................................................ 8

BAB II KAJIAN PUSTAKA
A. Mahasiswa ........................................................................ 11
   1. Definisi Mahasiswa ...................................................... 11
B. Skripsi ............................................................................... 13
   1. Pengertian Skripsi ......................................................... 13
   2. Tujuan Skripsi ................................................................. 14
   3. Syarat Penulisan Skripsi .................................................. 14
   4. Bimbingan Skripsi ......................................................... 15
   5. Syarat Pendaftaran Ujian Skripsi ...................................... 16
   6. Pengujian Skripsi .......................................................... 17
C. Stres .................................................................................. 17
   1. Definisi Stres ................................................................. 17
   2. Faktor Penyebab Stres .................................................... 19
   3. Tahapan Stres ................................................................. 21
   4. Gejala Stres ................................................................. 23
   5. Tingkat Stres ................................................................. 27
   6. Respon Terhadap Stres .................................................. 28
   7. Aspek-aspek Stres ......................................................... 30
   8. Koping Stres ................................................................. 32
   9. Definisi Stres Akademik .................................................. 37
   10. Faktor Penyebab Stres Akademik ................................. 38
D. Kecenderungan Tingkat Stres Mahasiswa Semester Akhir .......... 40
E. Kerangka Teoritik ............................................................. 45
F. Hipotesis ........................................................................... 45
BAB III METODE PENELITIAN
A. Variabel dan Definisi Operasional ............................................ 48
   1. Variabel Penelitian .......................................................... 48
   2. Definisi Operasional ......................................................... 48
B. Subjek Penelitian .................................................................. 49
   1. Populasi ............................................................................ 49
   2. Sampel ............................................................................... 49
   3. Teknik Sampling .............................................................. 50
C. Instrumen Penelitian ............................................................. 51
D. Validitas dan Reliabilitas ........................................................... 53
   1. Validitas ............................................................................. 53
   2. Reliabilitas ......................................................................... 54
E. Analisis Data ......................................................................... 55

BAB IV HASIL PENELITIAN DAN PEMBAHASAN
A. Deskripsi Subjek .................................................................... 56
B. Deskripsi Hasil Penelitian .......................................................... 58
   1. Uji Reliabilitas .................................................................. 58
C. Hasil ....................................................................................... 59
   1. Hasil Skor Kategori Responden ........................................... 59
   2. Kecenderungan Tingkat Stres .............................................. 60
D. Hasil Tambahan Kecenderungan Tingkat Stres Per-Dimensi .... 62
   1. Rata-rata Kecenderungan Tingkat Stres Akademik Dilihat
dari Aspek Kognitif .............................................................. 62
   2. Rata-rata Kecenderungan Tingkat Stres Akademik Dilihat
dari Aspek Perilaku .............................................................. 64
   3. Rata-rata Kecenderungan Tingkat Stres Akademik Dilihat
dari Aspek Psikologis ........................................................... 65
E. Rata-rata Kecenderungan Tingkat Stres Akademik Berdasarkan
   Karakteristik (Demografi) Responden ...................................... 67
F. Pembahasan ............................................................................ 72
   1. Gambaran Kecenderungan Tingkat Stres Akademik
      Mahasiswa Semester Akhir Dilihat dari Dimensi Kognitif . 74
   2. Gambaran Kecenderungan Tingkat Stres Akademik
      Mahasiswa Semester Akhir Dilihat dari Dimensi Perilaku . 75
   3. Gambaran Kecenderungan Tingkat Stres Akademik
      Mahasiswa Semester Akhir Dilihat dari Dimensi Psikologis 76
   4. Gambaran Kecenderungan Tingkat Stres Akademik
      Mahasiswa Semester Akhir Dilihat dari Demografi .......... 77

BAB V PENUTUP
