DAFTAR TABEL ......................................................................................................................... xii

BAB I : PENDAHULUAN

A. Latar Belakang ..................................................................................................................... 1

B. Rumusan Masalah ............................................................................................................... 9

C. Tujuan Penelitian ............................................................................................................... 9

D. Manfaat Penelitian .......................................................................................................... 10

E. Definisi Konseptual ........................................................................................................ 11

F. Penelitian Terdahulu ....................................................................................................... 16

G. Sistematika Pembahasan ............................................................................................... 18
BAB II : KAJIAN TEORI

A. Tinjauan Tentang Teknik Kontrak Perilaku .................. 20
   1. Pengertian kontrak perilaku.......................................... 20
   2. Syarat-syarat kontrak perilaku..................................... 24
   3. Prinsip dasar kontrak .................................................. 25
   4. Tujuan kontrak perilaku............................................... 26
   5. Manfaat kontrak perilaku............................................ 26
   6. Tahap-tahap kontrak perilaku ..................................... 27
   7. Kelebihan dan kekurangan kontrak perilaku ............... 27
   8. *Self Contract.* ......................................................... 28
   9. Unsur-unsur kontingensi kontrak .............................. 29

B. Tinjauan Tentang Rendahnya Motivasi ......................... 31
   1. Pengertian motivasi.................................................. 31
   2. Teori-teori motivasi................................................ 33
   3. Area motivasi manusia............................................... 39
   4. Prinsip membentuk motivasi..................................... 40
   5. Cara memberi motivasi .............................................. 41
   6. Faktor-faktor yang berpengaruh terhadap motivasi .... 43
   7. Rendahnya Motivasi Siswa ........................................ 44
   8. Pengertian pekerjaan rumah ....................................... 45
   9. Tujuan pekerjaan rumah ............................................. 50
  10. Kelebihan dan kelemahan pekerjaan rumah .............. 54
C. Tinjauan Tentang Implementasi Teknik Behavior Contract Untuk Mengatasi Motivasi Rendah Dalam Mengerjakan PR  ..... 56
