DAFTAR TABEL ................................................................................................. xi

BAB I PENDAHULUAN
A. Latar Belakang ............................................................................................ 1
B. Rumusan Masalah ....................................................................................... 8
C. Tujuan Penelitian ......................................................................................... 8
D. Manfaat Penelitian ..................................................................................... 9
E. Kajian Hasil Penelitian Terdahulu ............................................................... 9
F. Definisi Operasional
   1. Pengaruh ................................................................................................. 12
   2. Gaya Komunikasi pemimpin ............................................................... 13
   3. Kinerja karyawan ................................................................................... 14
G. Metode Penelitian
   1. Pendekatan Jenis Penelitian .............................................................. 16
   2. Subjek, Obyek dan Lokasi Penelitian .............................................. 16
   3. Teknik Populasi ..................................................................................... 17
   4. Variabel dan Indikator Penelitian .................................................... 18
   5. Teknik Pengumpulan Data ................................................................. 19
H. Sistematika Pembahasan Penelitian ....................................................... 22

BAB II KAJIAN TEORITIS
A. Kajian Pustaka
   1. Pengertian Komunikasi ....................................................................... 24
   2. Komunikasi Organisasi ...................................................................... 26
   3. Gaya Komunikasi ................................................................................ 34
   4. Pemimpin ............................................................................................ 38
   5. Kinerja ................................................................................................. 43
B. Kajian Teori
   1. Gaya Komunikasi Pemimpin Terhadap Kinerja Karyawan dalam Perspektif Teori Integratif .......................................................... 51

BAB III PENYAJIAN DATA
A. Deskripsi Subjek, Obyek dan Lokasi Penelitian ....................................... 54
   1. Karyawan Bank Tabungan Negara ................................................... 54
   2. Bank Tabungan Negara ..................................................................... 58
   3. Kantor Kas Cabang Pemuda ............................................................. 64
B. Deskripsi Data Penelitian ......................................................................... 66
   1. Tanggapan Responden ....................................................................... 67
   2. Hasil Skala Kuesioner Responden .................................................... 82
BAB IV PEMBAHASAN
A. Pengujian Hipotesis .............................................................. 86
1 Uji Validitas ....................................................................... 86
2 Uji Reliabilitas ................................................................... 88
3 Uji Normalitas .................................................................... 90
4 Uji Linieritas ..................................................................... 91
5 Uji Regresi Linier Sederhana ............................................. 92
B. Analisis Hasil Penelitian ....................................................... 94

BAB V PENUTUP
A. Simpulan ............................................................................... 96
B. Rekomendasi ......................................................................... 96

Daftar Pustaka .............................................................................. 98
Biodata Penulis ........................................................................ 100
Lampiran-lampiran ..................................................................... 101
