## BAB I PENDAHULUAN ...................................................................................... 1

A. Setting Penelitian .............................................................................................. 1
B. Fokus Penelitian ............................................................................................... 3
C. Tujuan Penelitian ............................................................................................. 4
D. Manfaat Penelitian ........................................................................................... 4
E. Definisi Konseptual .......................................................................................... 4
F. Metode Penelitian ............................................................................................ 8
   1. Pendekatan Dan Jenis Penelitian ................................................................. 8
   2. Lokasi Dan Waktu Penelitian .................................................................... 11
   3. Pemilihan Subyek Penelitian .................................................................... 12
   4. Jenis Dan Sumber Data ........................................................................... 13
   5. Tahap-Tahap Penelitian ........................................................................... 16
   6. Teknik Pengumpulan Data ....................................................................... 17
   7. Teknik Analisis Data .............................................................................. 19
   8. Teknik Pemeriksaan Keabsahan Data ..................................................... 21
G. Sistematika Pembahasan ................................................................................ 22

## BAB II KAJIAN TEORI ..................................................................................... 24

A. Kajian pustaka ................................................................................................ 24
   1. Pengertian komunitas blogger .................................................................. 24
   2. Muncul dan berkembangnya komunitas blogger .................................... 31
   3. Budaya lokal ............................................................................................ 35
B. Kerangka Teoritik .......................................................................................... 46
A. Deskripsi Umum Komunitas Blogger Plat-M Madura .............................................. 55
  1. Letak Geografis ..................................................................................................... 55
  2. Profil Komunitas Blogger Plat-M ........................................................................ 55
  3. Jumlah Anggota Komunitas Blogger Plat-M ......................................................... 63
  4. Struktur Komunitas Blogger Plat-M .................................................................... 63
  5. Tujuan Komunitas Blogger Plat-M ..................................................................... 65
  6. Syarat Menjadi Anggota Plat-M ........................................................................ 65
  7. Media Yang Digunakan Nak-Kanak Blogger Plat-M ........................................... 66

B. Deskripsi aktivitas-aktivitas komunitas blogger Plat-M dalam memperkenalkan budaya lokal ................................................................................................................. 66
  1. Aktivitas-Aktivitas yang Dilakukan Komunitas Blogger Plat-M dalam Memperkenalkan Budaya Lokal .............................................................. 66
  2. Budaya Lokal yang Diperkenalkan Oleh Plat-M Melalui Web Blog Plat-M.com ................................................................................................................. 80

C. Analisis data tentang Aktivitas Komunitas Blogger Plat-M Menggunakan Pendekatan Teori Fungsionalis Struktural Talcott Parsons ........................................................................ 86
  1. Komunitas Blogger Plat-M bukan Sekedar Komunitas Blogger ...................... 86
  2. Fungsionalis Struktural dalam Sistem Komunitas Blogger Plat-M .............. 97

BAB IV PENUTUP

  1. Kesimpulan ........................................................................................................ 98
  2. Saran .................................................................................................................. 100
