CHAPTER III

METHODOLOGY

This chapter presents the research approach, sort of data, and the data analysis which used by the writer to analyze the register in *Harry Potter and the Sorcerer’s Stone* movie.

3.1 Research Approach

In conducting this study, the writer used descriptive qualitative approach. The qualitative method was a research procedure which results in descriptive data including written and oral word from the research objectives whether it is from society or books. The writer studied about the register.

Unfortunately, it describes the data in the form of words and uses the English subtitle to be analyzed. Therefore, this research was descriptive qualitative because it depends very much on narrative descriptive. Qualitative approach took because this research was in discussing.

3.2 Source of Data

The writer will collect the data from books, journals, and online resources. The data and analysis of the data will be mentioned as follows:

3.2.1 Main Data

The source data is mainly in the *Harry Potter and the Sorcerer’s Stone* that directed by Chris Columbus based on the novel written by J.K.
Rowling. The data gains in the form of dialog that shows the register phenomenon.

### 3.2.2 References

The references are used to support the theoretical foundation of analysis. It is gained from PDF, book, and website.

### 3.3 Data Analysis

In analyzing the data, there are some steps taken in conducting this study, as follows:

1. Watching the movie to understand the story and get the idea of the dialog that can be discussed and explored for the thesis.
2. After having the idea to analyze, build the statement of problems.
3. Watching the movie again to find the dialog which related to the statement of problems in the thesis and note it including the time of the dialog.
4. Find the references of the theory which can support the quotations to analyze the data in the thesis.
5. After finding the quotations and the theory, the next step is analyzing the register that used by the wizards in the movie using the quotations and theory.
6. After analyzing the register in the movie, the next step is analyzing the meaning of the registers that occur in the Harry Potter movie. It is also supported with quotations and theory.
