DAFTAR TABEL ................................................................................................. x

BAB I PENDAHULUAN
   A. Latar Belakang .......................................................................................... 1
   B. Rumusan Masalah .................................................................................. 7
   C. Tujuan Penelitian .................................................................................. 7
   D. Manfaat Penelitian ............................................................................... 7
   E. Definisi Konsep Penelitian ................................................................. 8
   F. Metode Penelitian ................................................................................ 11
   G. Sistematika Pembahasan .................................................................... 24

BAB II LANDASAN TEORI
   A. Pengertian Bimbingan dan Konseling Islam ....................................... 26
      1. Bimbingan ...................................................................................... 26
      2. Konseling ..................................................................................... 26
      3. Bimbingan konseling islam ............................................................ 26
   B. TinjauantentangrasionalEmotif Behavior Therapy ............................... 28
      1. Pengertian rational emotif behavior therapy ................................. 28
      2. Hakikat manusia menurut rational emotif behavior therapy ........ 30
3. Konsep teori kepribadian rational emotif behavior therapy ........... 33
4. Karakteristik keyakinan irrasional dalam REBT ....................... 35
5. Perilaku bermasalah ..................................................................... 38
6. Tujuan rational emotif behavior therapy ..................................... 40
7. Peran konselor dalam REBT ....................................................... 42
8. Teknik-teknik dalam rational emotif behavior therapy .............. 43
9. Langkah-langkah rational emotif behavior therapy .................. 48

C. Gangguan Mood
1. Pengertian gangguan mood ........................................................ 50
2. Tipe-tipe gangguan mood .......................................................... 51
3. Gejala-gejala pada gangguan mood ........................................... 56
4. Faktor-faktor gangguan mood .................................................... 62

D. REBT Dalam Mengatasi Gangguan Mood ................................. 65

E. Kajian Terdahulu ........................................................................... 68

BAB III PENYAJIAN DATA

A. Deskripsi Umum Objek Penelitian .............................................. 71
1. Identitas sekolah ......................................................................... 71
2. Visi .......................................................................................... 71
3. Misi .......................................................................................... 72
4. Tujuan sekolah .......................................................................... 73
5. Data kesiswaan .......................................................................... 76
6. Data pendidik dan tenaga kependidikan .................................. 77
7. Data sarana ruang dan lapangan ............................................... 82
8. Deskripsi konselor ................................................................. 83
9. Deskripsi klien ......................................................................... 84
10. Deskripsi masalah ............................................................... 86

B. Deskripsi hasil penelitian ............................................................ 87
1. Pelaksanaan(REBT) untuk mengatasi gangguan mood pada siswi di SMPN 3 Pulung Ponorogo ........................................ 87
a. Identitas masalah ................................................................. 88
b. Diagnosis ............................................................................. 91
c. Prognosis ............................................................................ 92
d. Treatment ............................................................................. 93
e. Evaluasi ............................................................................... 100

2. Deskripsi hasil pelaksanaan (REBT) untuk mengatasi gangguan mood pada siswi SMPN 3 Pulung Ponorogo ................................ 101

BAB IV ANALISIS DATA
A. Analisis data tentang proses (REBT) untuk mengatasi gangguan Mood pada siswi SMPN 3 Pulung Ponorogo ........................................ 103
B. Analisis data tentang hasil akhir(REBT) dalam mengatasi gangguan Mood pada siswi SMPN 3 Pulung Ponorogo ........................................ 108

BAB V PENUTUP
A. Simpulan ............................................................................. 114
B. Rekomendasi ........................................................................ 115
