BAB I : PENDAHULUAN

A. Latar Belakang ......................................................................................................................... 1
B. Rumusan Masalah .................................................................................................................... 4
C. Tujuan Penelitian .................................................................................................................... 4
D. Manfaat Penelitian .................................................................................................................. 4
E. Definisi Konsep ....................................................................................................................... 5
  1. Bimbingan Penyuluhan Agama ....................................................................................... 5
  2. Penyuluh Agama Fungsional ......................................................................................... 7
F. Metode Penelitian ................................................................................................................... 8
  1. Pendekatan dan jenis penelitian ................................................................................... 8
  2. Sasaran dan lokasi penelitian ..................................................................................... 11
  3. Jenis dan sumber data .................................................................................................. 11
  4. Tahap-tahap penelitian .................................................................................................. 13
  5. Teknik pengumpulan data ........................................................................................... 16
  6. Teknik analisis data ....................................................................................................... 18
  7. Teknik keabsahan data ................................................................................................. 21
G. Sistematika Pembahasan ......................................................................................................... 24

BAB II : TINJAUAN PUSTAKA

A. Kajian Teoritik ....................................................................................................................... 26
  1. Bimbingan Penyuluhan Agama .................................................................................. 26
    a. Pengertian Bimbingan Penyuluhan Agama ....................................................... 26
    b. Unsur-unsur Bimbingan Penyuluhan Agama ................................................. 31
    c. Fungsi dan Tujuan Bimbingan Penyuluhan Agama................................. 36
BAB III : PENYAJIAN DATA

A. Deskripsi Umum Lokasi Penelitian ........................................... 55
   2. Potensi sumber daya alam..................................................... 57
   3. Gambaran mengenai Penyuluh Agama Fungsional di Kec. Arosbaya ................................................................. 58
B. Deskripsi Hasil Penelitian................................................................. 61
   1. Deskripsi pelaksanaan bimbingan penyuluhan agama oleh penyuluh agama fungsional di Kec. Arosbaya Kab. Bangkalan ................................................................. 61
   2. Deskripsi kendala yang dihadapi penyuluh agama dalam pelaksanaan bimbingan penyuluhan agama di lingkungan Kec. Arosbaya Kab. Bangkalan........................................... 81

BAB IV : ANALISIS DATA

A. Pelaksanaan bimbingan penyuluhan agama oleh penyuluh agama fungsional di Kec. Arosbaya Kab. Bangkalan ............... 83
B. Solusi dan Keberhasilan dalam pelaksanaan penyuluhan agama oleh penyuluh agama fungsional di Kec. Arosbaya Kab. Bangkalan........................................................................ 89

BAB V : PENUTUP

A. Kesimpulan ................................................................. 95
B. Saran .......................................................................... 96
