LIST OF APPENDICES .................................................................................................................. x vi  
CHAPTER I: INTRODUCTION ........................................................................................................ 1  
  A. Research Background .............................................................................................................. 1  
  B. Research Question ..................................................................................................................... 4  
  C. Objective of the Research .......................................................................................................... 4  
  D. Significance of the Research ..................................................................................................... 4  
  E. Scope and Limitation of the Research ...................................................................................... 4  
  F. Definition of Key Terms ........................................................................................................... 5  
CHAPTER II: REVIEW OF RELATED LITERATURE .................................................................... 7  
  A. Reading Comprehension ........................................................................................................... 7  
  B. Reading Strategies for Reading Comprehension ..................................................................... 8  
  C. Cognitive Reading Strategies for Reading Comprehension .................................................. 11
D. Low and Intermediate Learner in Reading .........................17
E. Previous Studies in Reading Strategies..............................19

CHAPTER III: RESEARCH METHOD ........................................22
A. Research Design ..................................................................22
B. Research Setting ...............................................................23
C. Research Subject ...............................................................23
D. Data Collection Technique .................................................24
E. Instrument ........................................................................24
F. Research Procedure ...........................................................26
G. Data Analysis Technique ....................................................27

CHAPTER IV: RESEARCH FINDINGS AND DISCUSSION ..........28
A. Research Findings .............................................................28
B. Discussion ........................................................................59

CHAPTER V: CONCLUSIONS AND SUGGESTIONS ..............65
A. Conclusions ......................................................................65
B. Suggestion .......................................................................66
