BAB I PENDAHULUAN
A. Latar Belakang .............................................................................................................. 1
B. Rumusan Masalah ......................................................................................................... 9
C. Tujuan Penelitian ......................................................................................................... 9
D. Manfaat Penelitian ................................................................................................... 10
E. Keaslian Penelitian ................................................................................................... 10

BAB II KAJIAN PUSTAKA
A. Loyalitas konsumen
   1. Pengertian Loyalitas konsumen ............................................................................. 17
   2. Fungsi Loyalitas konsumen .................................................................................. 18
   3. Faktor-faktor yang mempengaruhi Loyalitas konsumen ........................................ 19
   4. Karakteristik Loyalitas konsumen ......................................................................... 21
   5. Pengukuran Loyalitas konsumen .......................................................................... 22
B. Kepercayaan konsumen
   1. Pengertian Kepercayaan konsumen ................................................................. 23
   2. Dimensi Kepercayaan konsumen ......................................................................... 24
   3. Elemen-elemen Kepercayaan konsumen ............................................................ 26
   4. Manfaat Kepercayaan konsumen ......................................................................... 26
   5. Pengukuran Kepercayaan konsumen ................................................................... 27
C. Citra perusahaan
   1. Pengertian Citra perusahaan ............................................................................... 27
   2. Pentingnya Citra perusahaan .............................................................................. 28
   3. Dimensi-dimensi Citra perusahaan ...................................................................... 29
   4. Faktor-faktor yang mempengaruhi Citra perusahaan ........................................... 30
   5. Pengukuran Citra perusahaan ............................................................................. 31
D. Hubungan antara kepercayaan konsumen dengan Loyalitas Konsumen.................. 31
E. Hubungan antara Citra perusahaan dengan Loyalitas konsumen ......................... 32
F. Hubungan antara Kepercayaan Konsumen dan Citra Perusahaan dengan Loyalitas Konsumen ........................................................................................................... 34
G. Kerangka Teoritik .................................................................................................... 35
H. Hipotesis .................................................................................................................... 37
BAB III  METODE PENELITIAN

A. Variabel Penelitian dan Definisi Operasional .............................. 38
   1. Variabel Penelitian ............................................. 38
   2. Definisi Operasional ............................................. 39
B. Populasi, Sampel dan Teknik Sampling ...................................... 40
   1. Populasi ............................................................. 40
   2. Sampel dan Teknik Sampling .................................... 41
C. Teknik Pengumpulan Data ........................................................ 42
D. Validitas dan Reliabilitas Data .................................................. 49
   1. Uji Validitas .......................................................... 49
   2. Uji Reliabilitas ......................................................... 56
E. Analisis Data ........................................................................... 57

BAB IV PEMBAHASAN

A. Hasil Penelitian ........................................................................... 59
   1. Deskripsi Subyek ................................................................ 59
B. Deskripsi dan Reliabilitas Data .................................................. 63
   1. Deskripsi Data .............................................................. 63
   2. Reliabilitas Data ........................................................... 70
   3. Pengujian Hipotesis .......................................................... 71
C. Pembahasan Hasil Penelitian ...................................................... 78

BAB V PENUTUP

A. Kesimpulan .................................................................................. 86
B. Saran .......................................................................................... 86
