DAFTAR ISI ............................................................................................................... x
DAFTAR TABEL ....................................................................................................... xii

BAB I PENDAHULUAN

A. Latar Belakang Masalah .................................................................................. 1
B. Rumusan Masalah ......................................................................................... 7
C. Tujuan Penelitian ........................................................................................ 7
D. Manfaat Penelitian ....................................................................................... 8
E. Definisi Operasional ...................................................................................... 9
F. Sistematika Pembahasan .............................................................................. 11

BAB II KAJIAN TEORITIK

A. Penelitian Terdahulu ..................................................................................... 13
B. Kerangka Teori ........................................................................................... 14
   1. Kajian Tentang Promosi dan Bauran Promosi ............................. 14
   2. Kajian Tentang Kepuasan Konsumen ........................................... 26
   3. Hubungan Antara Bauran Promosi dengan Kepuasan Konsumen 36
C. Perspektif Islam .......................................................................................... 39
D. Paradigma Penelitian ............................................................................... 42
E. Hipotesis................................................................. 43

BAB III METODE PENELITIAN
A. Pendekatan dan Jenis Penelitian................................. 44
B. Lokasi Penelitian ...................................................... 45
C. Populasi, Sampel dan teknik Sampling ........................ 46
D. Variabel dan Indikator Penelitian ............................... 48
E. Tahap-Tahap Penelitian ............................................. 51
F. Teknik Pengumpulan Data ......................................... 53
G. Teknik Validitas Instrumen Penelitian .......................... 54
H. Teknik Analisis Data .................................................. 57

BAB IV HASIL DAN PEMBAHASAN
A. Hasil Penelitian ....................................................... 60
B. Penyajian Data .......................................................... 66
C. Variabel-Variabel Penelitian ........................................ 71
D. Analisis Data dan Pengujian Hipotesis ............................ 82
E. Pembahasan Hasil Penelitian ....................................... 98

BAB V KESIMPULAN DAN SARAN
A. Kesimpulan ............................................................. 104
B. Saran ................................................................. 105
C. Keterbatasan Penelitian ............................................. 106
