BAB I: PENDAHULUAN
A. Latar Belakang .............................................................................................................................................. 1
B. Identifikasi dan Batasan Masalah .................................................................................................................... 7
C. Rumusan Masalah ......................................................................................................................................... 8
D. Tujuan Penelitian ......................................................................................................................................... 8
E. Manfaat Penelitian ....................................................................................................................................... 8
F. Kerangka Teoritik ......................................................................................................................................... 9
G. Peneliti Terdahulu ....................................................................................................................................... 11
H. Metode Penelitian ..................................................................................................................................... 13
I. Sistematika Pembahasan .............................................................................................................................. 15

BAB II: ISMĀ‘IL ḤAQĪ DAN TAFSĪR RŪḤ AL-BAYĀN
A. Biografi dan Perjalanan Intelektual Ismā‘il Ḥaqī ..................................................................................... 18
B. Tafsir Rūḥ al-Bayān fi Tafsīr al-Qur‘ān ...................................................................................................... 23
   1. Latar Belakang Penyusunan ...................................................................................................................... 24
   2. Metode Penafsiran ..................................................................................................................................... 25
      a. Metode tafsir dari segi sumber penafsiran ......................................................................................... 26
      b. Metode tafsir dari segi cara penjelasan ............................................................................................. 27
      c. Metode tafsir dari segi sasaran/tertib ayat ......................................................................................... 27
   3. Ittijāh Tafsir Rūḥ al-Bayān ....................................................................................................................... 27
   4. Pendapat Ulama terhadap Tafsir Rūḥ al-Bayān ...................................................................................... 30
   5. Keistimewaan dan Kelemahan Tafsir Rūḥ al-Bayān ............................................................................ 31

BAB III: PENAFSIRAN ISMĀ‘IL ḤAQĪ TERHADAP AYAT-AYAT KHUSHŪ’ DALAM RŪḤ AL-BAYĀN FĪ TAFSĪR AL-QUR‘ĀN
A. Tinjauan Umum Tentang Khushū’ ............................................................................................................ 32
B. Klasifikasi Ayat-Ayat Khushū’ .................................................................................................................. 35
C. Penafsiran Ismā‘īl Ḥaqī Terhadap Ayat-Ayat Khushū’ Dalam Rūḥ al-Bayān .......................................................... 51
D. Term-Term yang Identik dengan Khushū’ ........................................ 77
E. Relevansi Ayat-Ayat Khushū’ dengan Term yang Identik .............. 80

BAB IV: ANALISIS TERHADAP PENAFSIRAN ISMĀ‘ĪL ḤAQĪ
TENTANG AYAT-AYAT KHUSHU’ DALAM RŪḤ AL-BAYĀN FĪ
TAFSĪR AL-QUR’ĀN
A. Khushū’ dalam Tafsir Rūḥ al-Bayan ........................................ 87
B. Macam-macam Khushū’ .............................................................. 89
C. Kunci Meraih Khushū’ ................................................................. 92
D. Manfaat dan Urgensi Khushū’ ...................................................... 93
E. Relevansi Khushū’ dengan Konteks Kehidupan Modern
   1. Khushū’ dan Psikologi Islam ..................................................... 95
   2. Khushū’ dan Relevansinya dengan Kehidupan Modern .......... 98

BAB V : PENUTUP
A. Kesimpulan .................................................................................. 106
B. Saran ............................................................................................ 107
