CHAPTER V
CONCLUSION

Based on the data above, it can be concluded that the ambiguous words, phrases and sentences are interpreted in two ways or more. Ambiguity is more than one interpretation makes the readers confused about the exact meaning conveyed by the writer. The readers have to dig deeply to get the right interpretation. In addition to read the whole transcript or listen speech, they should understand the context of the situation and the topic of the speech.

1. Types of ambiguity found in speech of Barack Obama are polysemous meaning, sense versus reference, core versus context, grammatical versus ungrammatical meaning, primary versus secondary meaning, closed versus open meaning, intended versus understood meaning.

2. Each ambiguity has two interpretations. It is more than one interpretation makes the readers confused about the exact meaning conveyed by the writer. The readers have to dig deeply to get the right interpretation. In addition to the whole articles, they should understand the context of the situation and the topic of the articles.
5.1 Suggestion
