DAFTAR TABEL ........................................................................................................... x

BAB I : PENDAHULUAN ............................................................................................. xi

A. Latar belakang ......................................................................................................... 1
B. Rumusan masalah .................................................................................................... 7
C. Tujuan penelitian .................................................................................................... 7
D. Manfaat penelitian .................................................................................................. 8
E. Definisi konseptual ................................................................................................... 9
F. Telaah pustaka ......................................................................................................... 10
G. Kajian pustaka ......................................................................................................... 12
H. Metode penelitian.................................................................................................... 29
   1. Pendekatan dan Jenis Penelitian ........................................................................... 29
   2. Lokasi Dan Waktu Penelitian .............................................................................. 29
   3. Pemilihan Subjek Penelitian ............................................................................... 30
   4. Tahap Tahap Penelitian ...................................................................................... 31
   5. Tehnik Pengumpulan Data .................................................................................. 33
   6. Tehnik Analisa Data ............................................................................................ 34
   7. Tehnik Pemeriksaan Keabsahan Data ............................................................... 35
I. Sistematika pembahasan............................................................................................ 36

BAB II : TEORI KONFLIK KARL MARX DAN RALF DAHRENDORLF .... 38

A. Teori Konflik Marx .................................................................................................. 38
B. Teori Konflik Dahrendorlf ....................................................................................... 49

BAB III : KONFLIK SENYAP KAUM NELAYAN DI DESA PULAU
MANDANGIN............................................................................................................... 53
A. Gambaran Umum Objek Penelitian ................................................................. 53
B. Bentuk Konflik Senyap Kaum Nelayan.................................................... 63
C. Latar Belakang Senyap Kaum Nelayan di Desa Pulau Mandangin. 74

BAB IV : PENUTUP ............................................................................................ 83
A. Kesimpulan ............................................................................................... 83
B. Saran ......................................................................................................... 83
