CHAPTER III

ANALYSIS

As the writer explains in the background of study in chapter one that the writer analyzes this thesis uses formalism. Therefore, the writer analyzes plot and moral value as in the novel.

3. Formalism

3.1. Plot’s Analysis in J.K Rowling ‘s Harry Potter the Prisoner of Azkaban

3.1.1 Exposition

Story begins when Harry Potter inflate Aunt Marge. Because Aunt Marge visiting Vernon uncle's house to celebrate the Dursley birth day. When dinner Aunt Marge makes a bad judgment to Harry Potter parents. The statement above refers to the quotation below.

Aunt Marge suddenly stopped speaking. For a moment, it looked as though words had failed her. She seemed to be swelling with inexpressible anger but the swelling didn't stop. Her great red face started to expand, her tiny eyes bulged, and her mouth stretched too tightly for speech next second, several buttons had just burst from her tweed jacket and pinged off the walls she was inflating like a monstrous balloon, her stomach bursting free of her tweed waistband, each of her fingers blowing up like a salami "MARGE!" yelled Uncle Vernon and Aunt Petunia together as Aunt Marge's whole body began to rise off her chair toward the ceiling. She was entirely round, now, like a vast life buoy with piggy eyes, and her hands and feet stuck out weirdly as she drifted up into the air, making apoplectic popping noises. Ripper came skidding into the room, barking madly.
The Quotation above Harry Potter develop Aunt Marge with his wand. Aunt Marge seems swollen with unspeakable fury but the swelling did not stop. Red face great start to grow, tiny eyes bulging and his mouth stretched too tightly for speech next second, several buttons had just burst from a tweed jacket and a ping from the wall he was inflating like a giant balloon, stomach burst free from the waist tweed her, respectively fingers blow up like salami "Marge!" shouted Uncle Vernon and Aunt Petunia together as Aunt Marge's whole body began to rise from the chair to the ceiling.

Harry Potter was waiting knight bus plus be told Stan boothon Sirius Black after running away from home Vernon Uncle Harry Potter go high way Magnolia Crescent. There he saw a big black beast like a dog. The statment above refers to the quotation bellow.

Harry was several streets away before he collapsed onto a low wall in Magnolia Crescent, panting from the effort of dragging his trunk. He sat quite still, anger still surging through him, listening to the frantic thumping of his heart. "Welcome to the Knight Bus, emergency transport for the stranded witch or wizard. Just stick out your wand hand, step on board) and we can take you anywhere you want to go. My name is Stan Shunpike, and I will be your conductor this eve.

The conductor stopped abruptly. 'Choolookin' at?" said Stan. "There was a big black thing," said Harry, pointing uncertainly into the gap. "Like a dog... but massive...

The data above means that Harry Potter after walking in Magnolia crescents, HarryPotter sat quietly by holding only anger and carrying his suitcase. After waiting a while came a knight bus that emergency transport for the stranded witch or wizard.
Then conductor named Stan Shunpike told him to get into the bus knights moments later Harry Potter pointed to the uncertainty in the direction of the bus slit Harry Potter saw a big black shadow that resembles a large dog.

When Harry Potter was standing in magnolia crescents, the knight bus came and a bus conductor named Stan Shumpire. Harry Potter ride knight bus to the leackey cauldron. During the journey Harry Potter who claimed his name Neville long bottom reading daily Karam prophet. There he read that Sirius Black escaped from Azkaban prison. The Stan told to Harry Potter about that Sirius black are men of Voldemort and killing thirteen people with one curse. The statment above refers to the quotation bellow.

Harry shivered and looked up and down Magnolia Crescent "You have this one," Stan whispered, shoving Harry potter trunk under the bed right behind the driver, who was sitting in an armchair in front of the steering wheel. "This is our driver, Ernie Prang. This, is Neville Longbottom, Ern. "Stan had unfurled a copy of the Daily Prophet and was now reading with his tongue between his teeth. A large photograph of a sunken-faced man with long, matted hair blinked slowly at Harry potter from the front page. He looked strangely familiar. "That man!" Harry said, forgetting his troubles for a moment. "He was on the Muggle news!" Stanley turned to the front page and chuckled. "Sirius Black," he said, nodding. "Course 'e was on the Muggle news, Neville, where you been?" He gave a superior sort of chuckle at the blank look on Harry potter face, removed the front page, and handed it to Harry. "You oughta read the papers more, Neville." Harry held the paper up to the candlelight and read BLACK STILL AT LARGE Sirius Black, possibly the most infamous prisoner ever to be held in Azkaban fortress, is still eluding capture, the Ministry of Magic confirmed today.

The data above shows Harry Potter get a whisper of Stan if SiriusBlack is the most famous prisoners who had been detained and now Sirius Black escaped from prisoner Azkaban. On reports from the newspaper that the fortress of Azkaban or
often known as the prisoner is still looking for or chasing arrest escaped prisoners are Sirius Black.

From the all exposition in above is Harry Potter began to fatten Aunt Marge. After Harry Potter ride knight bus he sees a big black shadow that resembles a large black dog in the corner slit bus. Harry Potter gets the news that no one who escaped Azkaban prisoner named Sirius Black. Stand told Harry Potter that prisoner who escaped from Azkaban is Sirius black

3.1.2 Complication

In complication Harry Potter better know who the real Sirius Black. Harry Potter knows when given a map by Fred and Jorge to go to Hogsmade. And Harry Potter accusation Sirius Black who killed his father based on the Stan shumpire quote. The statement above refers to the quotation bellow.

"If I hand it in, I'll have to say where I got it! Filch would know Fred and George had nicked it!" "But what about Sirius Black?" Hermione hissed. "He could be using one of the passages on that map to get into the castle! The teachers have got to know!" "He can't be getting in through a passage," said Harry quickly. "There are seven secret tunnels on the map, right? Fred and George reckon Filch already knows about four of them.

"What are you doing?" said Harry curiously. "How come you're not going to Hogsmeade?" "We've come to give you a bit of festive cheer before we go," said Fred, with a mysterious wink. "Come in here...." He nodded toward an empty classroom to the left of the one-eyed statue. Harry followed Fred and George inside. George closed the door quietly and then turned, beaming, to look at Harry. "Early Christmas present for you, Harry," he said. Fred pulled something from inside his cloak with a flourish and laid it on one of the desks. It was a large, square, very worn piece of parchment with nothing written on it. Harry, suspecting one of Fred and George's jokes, stared at it.
From the quotation in this above means there is a secret tunnel heading on the map but Fred and George already knew about four of them he said by Hermione telling one verses in the map. Harry Potter then follow Fred and George turned to shut the door. After that Fred pull something out of Harry Potter robe. Then Harry Potter suspect one of the jokes Fred and George Harry Potter looked at her in a way.

After Harry Potter arriving in Hogsmeade Harry Potter theme meet with friends but hiding under the table and when some teachers come to three broom sticks. Harry Potter know that Sirius Black already in Hogsmade. The statement above refers to the quotation bellow.

In an instant, Ron and Hermione had both placed hands on the top of Harry Potter head and forced him off his stool and under the table. Dripping with butter beer and crouching out of sight, Harry clutched his empty tankard and watched the teachers' and Fudge's feet move toward the bar, pause, then turn and walk right toward him. Somewhere above him, Hermione whispered, Mobiliarbus!"

The Christmas tree beside their table rose a few inches off the ground, drifted sideways, and landed with a soft thump right in front of their table, hiding them from view. Staring through the dense lower branches, Harry saw four sets of chair legs move back from the table right beside theirs, then heard the grunts and sighs if the teachers and minister as they sat down.

From quotation above Ron and Hermione hold Harry Potter’s hand to force hiding under the table to oversee fudge that will be heading to the bar, then Harry Potter staring through a small branch from the sidelines four seats and fudge hear grunts and sighs of them when sit under the table.
Professor said that McGonagall said that Harry Potter and Sirius Black are very clever. Harry Potter assumes that Sirius Black is more than a friend and professor Flitwick thought Sirius Black and Harry Potter were brothers. And then Jones was married to Lily, he became Harry Potter is guardian. So Sirius Black became keeper of the family of Harry Potter. And but Rosmerta suspect Sirius Black is not providing information or who holds the secret to the family of Harry Potter. The statement above refers to the quotation below.

"So Black was the Potters' Secret-Keeper?" whispered Madam Rosmerta. "Naturally," said Professor McGonagall. "James Potter told Dumbledore that Black would die rather than tell where they were, that Black was planning to go into hiding himself... and yet, Dumbledore remained worried. I remember him offering to be the Potters' Secret-Keeper himself." "He suspected Black?" gasped Madam Rosmerta. "He was sure that somebody close to the Potters had been keeping You-Know-Who informed of their movements," said Professor McGonagall darkly. "Indeed, he had suspected for some time that someone on our side had turned traitor and was passing a lot of information to You-Know-Who." A long silence followed Hagrid's story.

"Of course they were," said Fudge. "Potter trusted Black beyond all his other friends. Nothing changed when they left school. Black was best man when James married Lily. Then they named him godfather to Harry. Harry has no idea, of course. You can imagine how the idea would torment him."Because Black turned out to be in league with You-Know-Who?" whispered Madam Rosmerta.

Said Professor McGonagall. "Keep your voice down! "How do I know he did not pitch 'angry abou' Lily an 'James? That You-Know-Who is he cares abou'! An 'then he said,' Give me Harry ter, Hagrid, I'm her guardian, I'll take care of him - 'Ha! But I had my orders from Dumbledore, and I said Black did not, Dumbledore told Harry terter go aunt an 'uncle. Black argued, but in the end he gave in. Told me ter take ter his motorcycle ride Harry there. "I will not need it again, "he said.

From explanation above means James Potter said to Dumbledore's that Sirius Black would be dead than to say that Sirius Black was when Sirius Black plans to go into hiding from them. When they think Sirius Black is the epitome of discretion
Potter. said Professor McGonagall told Madam Rosmeta that someone close to the
Potters had been keeping you. then Sirius Black is believed that Harry Potter more
ability to surpass all his other friends. When they have left school Sirius Black was
best man when James and Lily were married because they named the godfather of
Harry Potter.

From all complication above is Harry Potter to a Secret-Keeper leading to the
map but Fred and George already knew about four of them he said to Hermione says
one verse in the map. Then in the second row complication tell Ron and Hermione
put her hand to the head of Harry Potter to force hiding under the table to keep an eye
on fudge and the last in the complication is the accusation Sirius Black were
presumed dead when he was just hiding, then Sirius Black are be the best man when
James and Lily married and James and Lily when it named Sirius Black is the
godfather of Herry Potter.

3.1.3 Climax

After Harry Potter knows is Sirius black from his teacher’s conversation in
Hogsmade, Harry Potter more know who is Sirius Black when Harry Potter meets
with Sirius Black under the Whomping Willow tree.

The accident under the whomping willow tree happen when Ron chase his Rat
scabbers. Enter in under Whomping Willow tree. After Ron and his Rat enter in
whomping willow tree, Harry Potter and Hermione come to help Ron. But after Harry
Potter and Hermione arrive under whomping willow tree, Harry potter and Hermione
entered in one room. They meet Ron. Ron’s hand bound, mouth gagged guarded by a
black dog that he ever see in leaky cauldron. But when Harry potter and Hermione
they to liberate Ron, the black dog change as Sirius Black. The statement above refers
to the quotation bellow.

"Harry -- we're never going to get through without help --"
Another branch whipped down at them, twigs clenched like knuckles.
"If that dog can get in, we can," Harry panted, darting here and there,
trying to find a way through the vicious, swishing branches, but he
couldn't get an inch nearer to the tree roots without being in range of
the tree's blows.
"Oh, help, help," Hermione whispered frantically, dancing U._ certainly
on the spot, "Please..."
Crookshanks darted forward. He slithered between the battering branches
like a snake and placed his front paws upon a knot on the trunk.
 Abruptly, as though the tree had been turned to marble, it stopped
moving. Not a leaf twitched or shook.
"Crookshanks!" Hermione whispered uncertainly. She now grasped Harry's
arm painfully hard. "How did he know --?"
"He's friends with that dog," said Harry grimly. "I've seen them
together. Come on -- and keep your wand out --"
They covered the distance to the trunk in seconds, but before they had
reached the gap in the roots, Crookshanks had slid into it with a flick
of his bottlebrush tail. Harry went next; he crawled forward, headfirst,
and slid down an earthy slope to the bottom of a very low tunnel.
Crookshanks was a little way along, his eyes flashing in the light from
Harry's wand. Seconds later, Hermione slithered down beside him

"Where's Ron?" she whispered in a terrified voice.
"This way," said Harry, setting off, bent-backed, after Crookshanks.
"Where does this tunnel come out?" Hermione asked breathlessly from
behind him.
"I don't know... It's marked on the Marauder's Map but Fred and George
said no one's ever gotten into it.... It goes off the edge of the map,
but it looked like it was heading for Hogsmeade..."
They moved as fast as they could, bent almost double; ahead of them,
Crookshanks's tail bobbed in and out of view. On and on went the
passage; it felt at least as long as the one to Honeydukes.... All Harry
could think of was Ron and what the enormous dog might be doing to
him.... He was drawing breath in sharp, painful gasps, running at a
And then the tunnel began to rise; moments later it twisted, and
Crookshanks had gone. Instead, Harry could see a patch of dim light
through a small opening. He and Hermione paused, gasping for breath, edging
forward. Both raised

The quotation above means that Harry Potter had been knows who the Black
dog that always follows him is. The black dog is Sirius Black. Harry Potter involved
in an argument or conversation under whomping willow tree.

Harry Potter also knows that professor Lupin has relation with Sirius Black.
Because Harry Potter think that Sirius Black is the wicked, and professor Lupin
always help Harry Potter to avoid the crime. Suddenly, professor Lupin comes in that
room. In their Harry Potter feels confuse with Sirius Black and professor Lupin.
Then, professor Lupin explains to Harry Potter, Ron and Hermione about friendship.
Sirius black is the old friends Harry Potters parent. The statment above refers to the
quotation bellow.

Harry couldn't see where this story was going, but he was listening
raptly all the same. The only sound apart from Lupin's voice was
Scabbers's frightened squeaking.
"My transformations in those days were -- were terrible. It is very
painful to turn into a werewolf. I was separated from humans to bite, so
I bit and scratched myself instead. The villagers heard the noise and
the screaming and thought they were hearing particularly violent
spirits. Dumbledore encouraged the rumor.... Even now, when the house
has been silent for years, the villagers don't dare approach it...."
"But apart from my transformations, I was happier than I had ever been
in my life. For the first time ever, I had friends, three great friends.
Sirius Black... Peter Pettigrew... and, of course, your father, Harry --
James Potter."
The quotation above means that Sirius Black comeback in Hogsmade is not to kill Harry Potter, and Sirius Black does not murder Harry Potter parents and some Muggle in that era. Sirius Black is guardian of Harry Potter’s family, but one day, Sirius Black designate Peter Pattigrew to replace Sirius Black as guard family Harry Potter. Beside of that Peter Pattigrew is member of Lord Voldemort, enemies of Harry Potter family.

After professor Lupin come under whomping willow tree, professor Lupin and Sirius Black try to cath scabbers, Ron’s Rat. They think that the Ron’s Rat is Peter Pattigrew. They force Peter Pettigrew to changes be came a human. The statement above refers to the quotation bellow.

A flash of blue-white light erupted from both wands; for a moment, Scabbers was frozen in midair, his small gray form twisting madly -- Ron yelled -- the rat fell and hit the floor. There was another blinding flash of light and then -- It was like watching a speeded-up film of a growing tree. A head was shooting upward from the ground; limbs were sprouting; a moment later, a man was standing where Scabbers had been, cringing and wringing his hands. Crookshanks was spitting and snarling on the bed; the hair on his back was standing up.
He was a very short man, hardly taller than Harry and Hermione. His thin, colorless hair was unkempt and there was a large bald patch on top. He had the shrunken appearance of a plump man who has lost a lot of weight in a short time. His skin looked grubby, almost like Scabbers’s fur, and something of the rat lingered around his pointed nose and his very small, watery eyes. He looked around at them all, his breathing fast and shallow. Harry saw his eyes dart to the door and back again. "Well, hello, Peter," said Lupin pleasantly, as though rats frequently erupted into old school friends around him. "Long time, no see.

"Harry," whispered Pettigrew, shuffling toward him, hands outstretched. "Harry, James wouldn't have wanted me killed.... James would have understood, Harry... he would have shown me mercy..."
Both Black and Lupin strode forward, seized Pettigrew's shoulders, and threw him backward onto the floor. He sat there, twitching with terror, staring up at them.

The data above means that all this time Peter Pattigrew hide and changes himself as a Rat. He hides because Peter Pattigrew already provide information about Lily and James Potter, or Harry Potter’s parents to lord Voldemort.

So the climax of the story tells about the accident under whomping willow tree where grim, Sirius Black or black dog that always looking at Harry Potter. Harry potter also know who is Sirius Black. In there Harry Potter know a person that will Harry Potter’s parent. He is peter Pattigrew spy Lord Voldemort.

3.1.4 Falling Action

Professor Dumbledore proposes to use hours of time to repeat all the events that have experienced by Harry Potter, Hermione, and Ron. This step aims to know the events that have been experienced Harry Potter, and save some lives in the incident.

After Harry Potter, Ron, and Hermione was saved from the terrible events in the willow and the edge of the lake, Harry Potter and his friends back to Hogwarts. Professor Dumbledore calls Harry Potter and Hermione. Professor Dumbledore proposes Hermione to use clock time to repeat all the recent events; Hermione and Harry Potter's natural. The statment above refers to the quotation bellow.

"Now, pay attention," said Dumbledore, speaking very low, and very clearly. "Sirius is locked in Professor Flitwick's office on the seventh floor. Thirteenth window from the right of the West Tower. If all goes
well, you will be able to save more than one innocent life tonight. But remember this, both of you: you must not be seen. Miss Granger, you know the law -- you know what is at stake.... You -- must -- not -- be -- seen."

Harry didn't have a clue what was going on. Dumbledore had turned on his heel and looked back as he reached the door.

"I am going to lock you in. It is --" he consulted his watch, "five minutes to midnight. Miss Granger, three turns should do it. Good luck."

It means that Professor Dumbledore wants Harry Potter Hermione and help them in the past and save some lives in this accident. Although Harry Potter does not know what the purpose by Professor Dumbledore and Hermione. To use the time machine, Harry Potter also knows all of the accident in the past. For use clock time, Harry Potter knows that a person who save Buckbeak for executor that will execute it is Harry Potter. Harry Potter also save himself and Sirius Black from a hundred Dementors that surround the lake. And also Harry Potter success to use Petronous spell to expel hundreds of Dementors. Harry Potter also freed Sirius Black from the pursuit of the Dementors that will return to the Azkaban.

3.1.5 Denouement

In denouement, the story closes with Harry Potter to his backs to activity in Hogwarts. Harry Potter gets a letter from Sirius Black.

After Hermione and Harry Potter has had a big accident under a giant willow tree and success to liberate Sirius Black from the pursuit of the Dementors, that will
restore Sirius Black to the Azkaban. Sirius Black also sends a letter to Harry Potter after free from Dementors. The statement above refers to quotation below.

Dear Harry,
I hope this finds you before you reach your aunt and uncle. I don't know whether they're used to owl post.
Buckbeak and I are in hiding. I won't tell you where, in case this owl falls into the wrong hands. I have some doubt about his reliability, but he is the best I could find, and he did seem eager for the job.
I believe the dementors are still searching for me, but they haven't a hope of finding me here. I am planning to allow some Muggles to glimpse me soon, a long way from Hogwarts, so that the security on the castle will be lifted.

...  

Crookshanks took the order to the Owl Office for me. I used your name but told them to take the gold from my own Gringotts vault. Please consider it as thirteen birthdays' worth of presents from your godfather.
I would also like to apologize for the fright I think I gave you that night last year when you left your uncle's house. I had only hoped to get a glimpse of you before starting my journey north, but I think the sight of me alarmed you.
I am enclosing something else for you, which I think will make your next year at Hogwarts more enjoyable.
If ever you need me, send word. Your owl will find me.
I'll write again soon.
Sirius

...

I, Sirius Black, Harry Potter's godfather, hereby give him permission to visit Hogsmeade on weekends.

...

Harry read and reread the letter from Sirius all the way back into
King's Cross station. It was still clutched tightly in his hand as he, Ron, and Hermione stepped back through the barrier of platform nine and three-quarters. Harry spotted Uncle Vernon at once. He was standing a good distance from Mr. and Mrs. Weasley, eyeing them suspiciously, and when Mrs. Weasley hugged Harry in greeting, his worst suspicions about them seemed confirmed. "I'll call about the World Cup!" Ron yelled after Harry as Harry bid him and Hermione good-bye, then wheeled the trolley bearing his trunk and Hedwig's cage toward Uncle Vernon, who greeted him in his usual fashion. "What's that?" he snarled, staring at the envelope Harry was still clutching in his hand. "If it's another form for me to sign, you've got another ---"

"It's not," said Harry cheerfully. "It's a letter from my godfather."

The data above means Sirius Black gives news about his condition and Buckbeak. Sirius Black as Harry Potter’s Godfather also gives a permission to Harry Potter go to Hogsmade. Harry Potter feels happy when Sirius Black sends a letter and he claim that Harry Potter as his son. It shows when Harry Potter brings and reads Sirius Black’s letter for journey to King’s road station when Harry Potter will back to Uncle Vernon’s house.

The denouncement focus on Sirius Black sends a letter to Harry Potter. Sirius Black also became Godfather of Harry Potter and gives permission to Harry Potter to go to Hogsmade.

3.2 Moral Value’s Analysis in J.K Rowling’s Harry Potter the Prisoner of Azkaban

3.2.1. Harry Potter Bad Morality

Moral value in Harry Potter and the prisoner of Azkaban we cannot judge someone only from the people’s say. It is like Sirius Black naturally when he
accusations as a person who murder Harry Potter parent and thirteen muggle around of Harry Potter’s house. But in reality Sirius Black does not do the people’s say.

"Well, really, I had to, don't you know," said irritable Fudge. "Black is mad. He's a danger to anyone who crosses him, magic or Muggle. I have the Prime Minister's assurance that he will not breathe a word of Black's true identity to anyone. And let's face it-who'd believe him if he did?"

Harry looked into the shadowed eyes of Sirius Black, the only part of the sunken face that seemed alive. Harry had never met a vampire, but he had seen pictures of them in his Defense Against the Dark Arts classes, and Black, with his waxy white skin, looked just like one. "Scary-lookin' fing, inee?" said Stan, who had been watching Harry read. "He murdered thirteen people?" said Harry, handing the page back to Stan, "with one curse?" "Yep," said Stan, "in front of witnesses an' all. Broad daylight. Big trouble it caused, dinnit, Ern?"
"Ar," said Ern darkly.

According quote above Harry Potter judge Sirius black from his cover, that realize from Harry potter says even though Harry Potter never meet with Sirius Black before. Overall, no doubt that physical appearance of Sirius Black look like a criminal, it is normally some people judge person by the cover.

"Potter trusted Black beyond all his other friends. Nothing changed when they left school. Black was best man when James married Lily. Then they named him godfather to Harry. Harry has no idea, of course. You can imagine how the idea would torment him."

"Involving the magical concealment of a secret inside a single, living soul. The information is hidden inside the chosen person, or Secret-Keeper, and is henceforth impossible to find -- unless, of course, the Secret-Keeper chooses to divulge it. As long as the Secret-Keeper refused to speak, You-Know-Who could search the village where Lily and James were staying for years and never find them, not even if he had his nose pressed against their sitting room window!" "So Black was the Potters' Secret-Keeper?" whispered Madam Rosmerta. "Naturally," said Professor McGonagall. "James Potter told Dumbledore that Black would die rather than tell where they were, that Black was planning to go into hiding himself... and yet, Dumbledore remained
worried. I remember him offering to be the Potters' Secret-Keeper himself."

The data above means the after all secret is revealed Harry potter realize that Sirius Black is not bad person. More over Harry Potter trust to Sirius Black more than his trust to the other friends. It is not like Harry potter judgments in the first quote that judge Sirius Black from his cover. Actually in fact, Sirius Black is the best friends of Harry Potter’s father and his godfather.

"Harry," said Lupin hurriedly, "don't you see? All this time we've thought Sirius betrayed your parents, and Peter tracked him down -- but it was the other way around, don't you see? Peter betrayed your mother and father -- Sirius tracked Peter down --"
"THAT'S NOT TRUE!" Harry yelled. "HE WAS THEIR SECRET-KEEPER! HE SAID SO BEFORE YOU TURNED UP. HE SAID HE KILLED THEM!"

He was pointing at Black, who shook his head slowly; the sunken eyes were suddenly over bright.
"Harry... I as good as killed them," he croaked. "I persuaded Lily and James to change to Peter at the last moment, persuaded them to use him as Secret-Keeper instead of me.... I'm to blame, I know it.... The night they died, I'd arranged to check on Peter, make sure he was still safe, but when I arrived at his hiding place, he'd gone. Yet there was no sign of a struggle. It didn't feel right. I was scared. I set out for your parents' house straight away. And when I saw their house, destroyed, and their bodies... I realized what Peter must've done... what I'd done...."

From the quotation above, we can see that Sirius Black was judging by the people as the suspect on the incident when Harry Potter’s parent was killed, beside Sirius Black want to visit Harry Potter’s parent. it happens because when Sirius Black arrives in Harry Potter’s home it has destroyed.
So from all of the data above, Sirius Black does not do what the people’s say about him, actually he try to help Harry Potter, firstly Harry Potter does not about the fact so that he judge Sirius Black is bad person. After he knows about the reality that happens to his parent finally Harry Potter is conscious that Sirius Black is kind person.
