TABLE OF CONTENTS

ABSTRACT .......................................................... I
ACKNOWLEDGEMENT .................................................. III
DEDICATION .......................................................... IV
TABLE OF CONTENT .................................................. V

Chapter I

INTRODUCTION

A. Background of the Study ........................................ 1 - 17
B. Identification and Limitation .................................. 17
C. Statement of the problems ..................................... 18
D. Theoretical Framework of the Study ......................... 18 - 21
E. Objectives of the Study .......................................... 22
F. Benefits of Research ............................................. 22 - 26
G. Significance of the study ....................................... 26 - 28

Chapter II

REVIEW OF RELATED LITERATURE

A. Introduction ....................................................... 29 - 32
B. Madrasah Education in Muslim Community ................. 32
   1. The source of madrasah education ......................... 32 - 36

  6. Contemporary challenges of Madrasah Graduates  94 - 101
I. Philippine Madrasah Education Today .................. 101 – 104

Chapter III

RESEARCH METHODS OF THE STUDY

A. Research Design of the Study ............................ 105
B. Locale of the Study ...................................... 105 - 106
C. Population of the Study .................................. 106
D. Sample Design of the Study .............................. 107
E. Sample Design of the Study .............................. 107 -108
F. Validity and Reliability of the Study .................... 108

Chapter IV

FINDINGS, INTERPRETATION AND ANALYSIS OF THE DATA

A. Availability of the facilities ............................ 114
B. Capabilities of the guru in the teaching learning process  115 - 118
C. The contribution of Madrasah education in Tawi-Tawi, Philippines 118 - 119
D. Discussion of Findings ................................. 120 – 122
Chapter V

CONCLUSIONS, SUGGESTIONS AND RECOMMENDATIONS

A. Conclusion .................................. 123 - 126
B. Suggestions and Recommendations................................. 126– 127

BIBLIOGRAPHY
