ABSTRACT ................................................................................................................................................... vii
ACKNOWLEDGEMENT ............................................................................................................................... viii
LIST OF APPENDIXES .................................................................................................................................. xii

CHAPTER I : INTRODUCTION ..................................................................................................................... 1
A. Background of Study ................................................................................................................................... 1
B. Statement of Problem ............................................................................................................................... 9
C. Hypothesis ................................................................................................................................................. 10
D. Objective of Study .................................................................................................................................... 10
E. Significance of Study ............................................................................................................................... 10
F. Scope and Limitation of Study ................................................................................................................ 12
G. Definition of Key Term ........................................................................................................................... 12

CHAPTER II : REVIEW AND RELATED LITERATURE ................................................................................ 15
A. Reading ..................................................................................................................................................... 15
   1. The Nature of Reading ......................................................................................................................... 15
   2. Reading Comprehension ...................................................................................................................... 17
   3. Problems in Reading Comprehension ................................................................................................. 18
B. Recount Text ........................................................................................................................................... 19
   1. Definition of Recount Text .................................................................................................................. 20
   2. Generic Structure of Recount Text .................................................................................................... 20
   3. Language Feature of Recount Text .................................................................................................... 21

2. Description of Questionnaire Result .................................................................................. 83

B. Data Analysis ................................................................................................................... 101

1. Data Analysis from Test .................................................................................................... 101
   a. The Result of Normality Test ....................................................................................... 102
   b. The Result of Homogeneity Test .................................................................................. 102
   c. The Result of T-test ...................................................................................................... 102

2. Questionnaire Analysis ..................................................................................................... 111
   a. Eight Graders’ Reading Comprehension Before the Treatment ................................. 111
   b. The Strength of Hypertext Glosses .............................................................................. 112
   c. The Weakness of Hypertext Gloses ........................................................................... 113

C. Discussion .......................................................................................................................... 114

   1. The Effectiveness of Hypertext Glosses ....................................................................... 114
   2. The Advantages and the Disadvantages from Learning Reading using Hypertext Glosses .................................................................................................................. 116

CHAPTER V : CONCLUSION AND SUGGESTION ................................................................. 121

   A. Conclusion ...................................................................................................................... 121
   B. Suggestion ....................................................................................................................... 123
