ABSTRACT

Wulandari, Erlina Pratiwi. 2016. The Study of Affixation Used in One Direction’s Songs. Thesis, English Department, Faculty of Arts and Humanities, the State Islamic University of Sunan Ampel Surabaya.

Advisor: Raudlotul Jannah, M.App.Ling

Key words: Affixation, Derivational affixes.

This study aims to identify the kinds of affixes, and to explain the forms and meaning of each affixes in One Direction’s Songs.

This study employs the descriptive qualitative method. The data of this study are collected by scrutinizing the use of language in One Direction’s Songs. The data of this study are in the form of words which contain affixes. The technique for collecting the data are by browsing the song One Direction’s on the internet, reading the all data source cautiously, and collecting the words which contain affixes. The data analysis is done by using the model which is proposed by Miles and Huberman, they are data reduction, data display, and drawing conclusion.

The result of this study shows that affixes are used in One Direction’s Songs. Two kinds of affixes are used. They are suffix and prefix. There is no infix is used.

Kinds of suffix which are used, they are: -ing, -ion, -er, -ly, -or, -ation, -ce, -ed, -ize, -y, -ness, -ance, and -ous. Meanwhile, prefixes which are used: dis-, un-, mis-, be-, ir-, im-, re-, pre-, a-, and un-. The mostly used of affix is suffix, it is the suffix -ing.
