DAFTAR BAGAN ..............................................................................xiii
BAB I PENDAHULUAN
A. Latar Belakang Masalah .................................................................1
B. Rumusan Masalah .........................................................................10
C. Tujuan Penelitian ..........................................................................11
D. Manfaat Penelitian ........................................................................11
E. Sistematika Pembahasan ...............................................................12

BAB II KAJIAN PUSTAKA
A. Kepuasan Pelanggan .......................................................................15
B. Hubungan Kualitas Pelayanan Dengan Kepuasan Nasabah ..........30
C. Atribut Individual ..........................................................................35
D. Kerangka Teoritik ..........................................................................36
E. Hipotesis .........................................................................................38

BAB III METODE PENELITIAN
A. Rancangan Penelitian ....................................................................40
B. Subyek Penelitian ..........................................................................44
C. Instrumen Penelitian ......................................................................46
D. Analisis Data ..................................................................................47

BAB IV HASIL PENELITIAN DAN PEMBAHASAN
A. Hasil Penelitian ............................................................................52
B. Pengujian Hipotesis ........................................................................57
C. Pembahasan ...................................................................................78

BAB V PENUTUP
A. Kesimpulan ..................................................................................81
B. Saran .............................................................................................82
