CHAPTER V
CONCLUSION AND SUGGESTION

The conclusion of the analysis describe the slang characterized by the teenagers in Surabaya can be simplicity concluded that:

5.1 Conclusion

This study was conducted to find out the English slang words that used by teenagers in Surabaya. Slang is considered as a result of the rapid growth of the new words that is happening as a creative expression from people to make words more efficient and simpler to be uttered. Using some theories of slang words by Spolsky (1998) and Allan and Burridge (2006) and using the theories of word formation combined from O’Grady and Guzman (1996), Allan (1986), and Hatch and Brown (1995) word formation processes by Yule (2006) and Chaedar (1994).

Slang words is an informal language, nonstandard, nontechnical vocabulary for standard word or phrases. It is often associated with young people or teenagers which is used in spoken. In globalization era, slang arise due to environmental influences. The spreading of slang is very fast, especially among teenagers because of the influence of media, such as movies, TV, radio.

Slang is not only growing in the Indonesian language, slang is also growing in the English language. Especially in this globalization era, the influence of the media is so fast to influenced teenagers to use English as a
slang words. They feel English as a slang words is a language that has a "sense of pride".

From the analysis, the writer compares the study with other studies. The writer compares this study with research that similar of the study but different object. There are some previous researches that concern in this topic: they are Afifah Rahmawati (2012), Ani Wahyu Setyowati (2012), and Muhammad Ismail (2014).

After find the English slang words which is used by teenagers in Surabaya, the writer analyzed the word formation processes of English slang words. There were 36 English slang words which is used by teenagers in Surabaya, and divided into some types of word formation process. The writer found 12 Acronym, 14 Coinage, 4 Mixing Words, 2 Clipping, and 3 Blending. Such as: TFT, Bro, Nge-trend, Jilboobs, Friendz, TFL, Sis, Nge-bass, Satnight, Goodby, etc. Learning the real meaning of slang word is beneficial for us, it will increase our vocabulary mastery and also give us much knowledge about slang word.

5.2 Suggestion

Based on the results of this study, the writer intend to give advice to everyone to do research with a similar topic that researchers better understand the meaning of slang words. As a researcher and listener of slang words, can know the meaning of the slang words which develop every time.
The writer realizes that this research is still away from perfect. At the end of the writer’s study, the writer invites further research to conduct an investigation on the English slang words. Further research can be done about the scope of the slang wider with data that is more detailed.
